Orientation Programme for I BA English

An Orientation session for I BA English Language and Literature Honours was organized on 2nd September 2024 in the new seminar hall. Dr Jisha John, Assistant Professor of English, St Teresa's College, Ernakulam was the resource person. The programme was an essential initiative to help the students transition smoothly into college life, familiarize themselves with the academic expectations, and connect with the peer group.

The resource person talked about the various means through which they can become successful graduates. She also focused on various career opportunities after completing the studies. The students gave good feedback about the session.
