

# **Report on the Inauguration of Aquaculture Association, Aquaticzz**

The Department of Aquaculture successfully organized the inauguration of the Association, “Aquaticzz”, on March 21, 2025, at 10:00 AM in the Old Seminar Hall. The event was graced by the esteemed presence of Dr. Vinu Jacob, AFEO, Department of Fisheries, Government of Kerala, as the resource person.

Aquaticzz, Aquaculture Association is a student-driven initiative aimed at enhancing students' skills and organizational abilities while providing a platform for knowledge sharing and industry interactions. The inauguration ceremony was entirely organized by students with the support of faculty members, demonstrating their enthusiasm and leadership in fostering academic and practical excellence in aquaculture.

The program commenced with a warm welcome address by Dr. K. Kesavan, Head of the Department of Aquaculture, who highlighted the significance of forming an association dedicated to aquaculture. He emphasized the need for such a platform in a student-centric department, as it encourages skill development, networking and hands-on learning. The Association aims to organize workshops, seminars, field visits and interactive sessions with experts to enhance students' practical understanding of aquaculture and its emerging trends.

Following the welcome speech, Dr. Vinu Jacob formally inaugurated the association, marking the beginning of a new era for students and professionals to collaborate and expand their knowledge in aquaculture.

A felicitation address was delivered by Mr. Muhammed Areej E M, Head of the Department, Biochemistry, who expressed his appreciation for the initiative and encouraged students to actively participate in the association's activities.

The highlight of the event was an invited talk by Dr. Vinu Jacob on ‘Introduction to Aquaculture with special emphasis on Species Selection’. During his insightful session, he shared his experiences working with various farmers and emphasized the critical differences between theoretical learning and practical fieldwork in aquaculture. He also underscored the importance of water quality management in ensuring the sustainability and success of aquaculture practices.

The event concluded with a vote of thanks delivered by Mohammed Shamil, the Association Secretary, who expressed gratitude to all dignitaries, faculty members and students for their participation and support in making the inauguration a grand success.

The inauguration of the Aquatics Association marks a significant step towards fostering academic and practical excellence in aquaculture. By organizing various student-centered activities, the association will serve as a bridge between theoretical knowledge and real-world applications, paving the way for future initiatives and collaborations in the field.
