

## **MES Asmabi College, P Vemballur**

### **Department of English**

#### **Expert Session on Modern Indian History**

An expert session on 'Modern Indian History' was organized on 27<sup>th</sup> March 2025 by Sri Semeerkhan, Assistant Professor, MES College, Ponnani. Dr Amitha P Mani, Assistant Professor of English was the Coordinator of the session.

An expert in the field provided a deep and comprehensive understanding of Modern Indian History, covering significant events, movements, and figures in greater detail than textbooks alone. This allows students to grasp the nuances and complexities of the subject. Modern Indian History often involves complex political, social, and economic transformations. An expert can break down these concepts and help students understand the causes, effects, and significance of various historical developments, such as the British colonial rule, independence movements, and partition. The expert was able to place historical events in a broader global context, linking India's history with world history. This helped students understand not just the events in India but their global relevance, such as India's role in the larger decolonization movement or the impact of World Wars on Indian society and politics. Unlike conventional lectures, an expert session allowed for more interactive learning. Students asked questions, engaged in discussions, and clarified doubts in real time, making the learning process more dynamic and participatory.

The expert session on Modern Indian History significantly enhanced a student's academic knowledge, critical thinking abilities, and personal connection to the subject, making it highly valuable learning experience. The students gave positive feedback about the session.
