#### **Alumni Meet Memoria 2024**

The Alumni Meet of the department ‘Memoria 2024’ was conducted on 2<sup>nd</sup> October 2024. Ms Sabitha M M equipped the II MA students to engage the old students in various activities. The Alumni meet provided a platform for alumni to reconnect with their peers and teachers. This networking leads to career opportunities, collaborations, or mentorship possibilities. The programme helped to foster a sense of community and belonging among former students, giving them the chance to reconnect with their alma mater and each other, which leads to long-lasting relationships. The programme had numerous benefits like fostering stronger professional and personal connections, enhancing the reputation of the institution, creating networking and mentoring opportunities, and providing a platform for alumni to give back. These gatherings play a crucial role in nurturing a strong, supportive community that continues to grow and thrive long after students graduate.
