### **Research Department of English**

#### **Onam Celebration**

The Department organized Onam Celebration with pomp and splendor on 12<sup>th</sup> September 2024. Students of I BA, II BA, III BA, I MA, II MA, Research Scholars and all the teachers were there during the occasion. Onam Sadya was arranged for all the students and teachers, a few games and activities were also there.

Including all students and teachers in the celebration helps foster an environment where diverse cultural practices are recognized and respected, even if not everyone celebrates Onam. Such events often create a sense of a “family” within the department, making everyone feel included and valued, thereby promoting positive mental well-being among students and staff. Besides this, organizing and executing the event requires teamwork, which strengthens collaboration and leadership skills. Students and faculty work together to ensure a successful celebration, reinforcing the importance of cooperation in achieving common goals.

The celebration that included both students and teachers provided a range of benefits, including nurturing cultural awareness, enhancing community spirit, improving interpersonal and organizational skills, and boosting morale. It created a fun, inclusive, and engaging atmosphere that strengthened the bond between students, teachers, and the department, enriching the overall educational experience.
