### COVER PAGE OF THE BOOK

### BOOK RELEASE CEREMONY

Dr. Reena Mohamed, principal of MES Asmabi college released the book on behalf of the other faculty members of English department. The book critically examines the intersectionality framework within children's literature, shedding light on the role diverse voices and experiences play in shaping young minds. The book comprised 22 literary contributions from academicians, research scholars and students from across India. The book was available on amazon: <https://amzn.in/d/2b7RffY> and was published by Taran publishers, New Delhi.
