**COVER PAGE OF THE BOOK**

**Sinsy Siddique, Reshma TM and Mohammed Shaan, faculties of English department have contributed to the book chapters**

Dr. Reena Mohamed, principal of MES Asmabi college released the book on behalf of the other faculty members of English department. The present volume titled *Resonances of Dalits in Literature* is a collection of well researched scholarly articles authored by faculties, Research Scholars and students. This compilation successfully articulates diverse dimensions and perspectives of oppression and marginalization. This anthology with 36 articles written by authors across the country stands as a testament identifying the gaps within Dalit Studies. The key concepts covered include Dalit identity and Memory, Dalit Women Narratives, Body Politics, Anticasteism in literature, Cinema and Graphic Narratives among many. The book was published by Taran publishers, New Delhi. It was available in Amazon-
