

## Journal Club Activities 2024-2025

The 2024-25 Academic Year Journal Club activities were organized by the II MA English students from January to March 2025. The activities involved 27 students presenting reviews of journal articles related to their syllabus content to the I MA English students. This initiative deepened understanding of syllabus topics, fostered awareness of diverse academic writing styles, and aimed to motivate students towards paper publications. Ms. Sabitha M M, the class tutor, coordinated the activities and provided feedback after each presentation.
