

## **Brief Report on Iftar Meet Conducted by the Department of Mathematics and Final Year B.Sc Mathematics Students**

The Department of Mathematics, along with the final-year B.Sc Mathematics students, organized an Iftar meet on January 19, 2025, at Azeekod, a student's home. The gathering aimed to foster unity and strengthen bonds among students and faculty. The Iftar meal included dates, fruits, and traditional dishes, creating a warm and communal atmosphere. An interactive session followed, where students and faculty shared reflections and experiences. The event successfully reinforced values of togetherness and mutual respect. The evening concluded with heartfelt interactions, leaving everyone with cherished memories.
