4 YEAR UG PROGRAMME (8 SEMESTERS)

B.Voc Logistics Management was started in the year 2018, with an aim of meeting demands of current society in molding competent logistics professionals. The course is different from traditional academic programmes as it deals more with application based studies rather than focusing on only theoretical knowledge.

PROGRAMME HIGHLIGHTS

- 1 month Internship in second year
- 1 year Internship / Apprenticeship in fourth year.
- Periodic industrial visits and port visits.
- Practical session classes with industrial experts.
- Offers campus placements.
- Multiple Exit and Entry.
- After 1 year will awarded under graduate certificate.
- After 2 years will awarded under graduate diploma
- After 3 years will awarded B. Voc degree
- After 4 years will awarded PG Diploma/UG honour
- Sector skill exam evaluation & certification
