A BRIEF HISTORY OF US...

MES Asmabi College, established in 1968 at P Vemballur in SN Puram Panchayat, Thrissur District, began as a Junior College offering pre-degree courses in arts, science, and mathematics. It was upgraded to a Senior College in 1977-78 with a B.Com program, initially offering Costing as an elective. When Costing became compulsory, electives shifted to Hotel Management and Tourism, then to Cooperation in 2000-01 to enhance employment prospects. The Commerce department was upgraded to a PG Department in 1984, introducing an M.Com Finance program. This marked the introduction of the college's first UG and PG programs from the Research Department of Commerce.

Skill development

Develop critical thinking and analytical skills through comprehensive coursework and real-world case studies. Gain proficiency in financial analysis, cooperative management, and research methodologies. Enhance your expertise in commerce with practical applications in accounting, finance, and cooperative society operations. The program offers hands-on experience with modern financial tools, preparing you for diverse career opportunities in the commerce sector.
