

**MES ASMABI COLLEGE, P.VEMBALLUR**  
**IEDC Room Renovation on 1-8-2024**

On August 1, 2024, the IEDC room at MES Asmabi College underwent significant arrangements to create an inspiring and dynamic space for innovation and creativity. The walls were adorned with vibrant murals, including intricate gear designs symbolizing innovation and teamwork, painted by enthusiastic students. Additionally, the backdrop featured models of iconic rockets, reflecting aspirations for scientific and entrepreneurial achievements. The setup was complemented by well-organized furniture and a clean, inviting environment, fostering collaboration among students and faculty. This transformation highlighted the college's dedication to providing a conducive atmosphere for the activities of the Innovation and Entrepreneurship Development Centre (IEDC).
