Installation of IEDC Selfie Point on 19-08-2024

The IEDC selfie point, featuring the phrase "I ❤️ MES ASMABI" alongside the IEDC logo, was recently installed on the college campus to celebrate the spirit of innovation and entrepreneurship. Positioned in a vibrant and picturesque spot, it serves as a creative and engaging space for students to capture memorable moments while showcasing their

pride in being part of
MES Asmabi

College. The selfie point not only enhances the campus ambiance but also reflects the institution's commitment to fostering a dynamic and student-centered environment through the activities of the Innovation and Entrepreneurship Development Centre (IEDC).
