ED CLUB CHRISTMAS STALL @ COMMERCE FOOD FEST

On 13th December 2024, the Entrepreneurship Development (ED) Club of MES Asmabi College, in collaboration with the Department of Commerce, organized a Creative Exhibition cum Sale of Christmas-themed items as part of the festive season celebrations. The exhibition featured a vibrant collection of handcrafted items such as Christmas caps, miniature Christmas trees, home décor themed around Christmas, henna cones, and beautiful resin art ornaments. These creative products, made by students, showcased their artistic talents and entrepreneurial spirit. The event drew enthusiastic participation from students and faculty members alike. It served as an excellent platform for students to market their creative works, manage sales, and interact with customers—offering them real-world exposure to entrepreneurship. The exhibition not only added to the festive cheer on campus but also promoted the value of creativity, teamwork, and self-reliance among students.
