RULES

Time Duration: 24hr

- The hackathon duration is 24 hours, from February 6, 11:00 AM to February 7, 11:00 AM.

- Each team must have minimum 2 and maximum 4 members.

- Students from any stream and any college are eligible to participate.

- Solutions must align with the theme of sustainable coastal living using traditional knowledge and technology.

- Teams must submit their abstract within the first 2 hours of the hackathon.

- Final prototype and presentation must be submitted before the 24-hour deadline.

- There will be no elimination rounds, as participation is limited to 20 teams.

- All projects must be original and developed entirely during the hackathon.

- mentorship will be provided throughout the hackathon.

- Evaluation will be based on innovation, feasibility, technical execution, pitching, and presentation skills.

- Registration fee is Rs. 200 per participant and is non-refundable.

- Participants must report at the venue at least 30 minutes before the event start time.

- Organizers may update rules or schedules, and changes will be officially communicated.

- Decisions of the judging panel and organizing committee are final and binding.
