

SUNAINA M NAZAR

HOD, Asst. Professor.

Department of Masscommunication

A quality oriented professional with an experience of seven years in the field of teaching. An enthusiastic and self-motivated Lecturer who can contribute to shaping the future of the next generation students through teaching and other scholarly activities. Aspires to be committed and innovative individual who has the ability to work with learners as part of an existing successful team. I believe in teaching in ways that respond to learner needs, and engage students in the development of their knowledge
