

FARISHA VM

About me

I am an innovative and skillful college assistant professor with over 10.5 years of experience in the field of English education. My expertise spans various branches of language skills, including literature and linguistics. My teaching journey began with roles in language courses and private tutoring, which laid the foundation for my current position. Over the years, I have honed my ability to engage and inspire students, fostering a deep appreciation for the nuances of the English language.

- **Communicating in English**
- **Macro and micro-skills of English**
- **Branches of language knowledge such as literature, sociolinguistics, psycholinguistics, cross-culture understanding, and more**
- **Handling students from various backgrounds**
- **Expertise in English literature, linguistics, and language instruction.**
- **Strong research and analytical skills, with a focus on memory and identity in contemporary literature.**
- **Proficient in curriculum development and academic program coordination.**
- **Excellent communication and interpersonal skills, with a proven ability to mentor and inspire students.**
- **Innovative teaching methods and student engagement strategies.**
