REPORT ON GLOBAL TEAL TALK DAY
Awareness Session on Ovarian Cancer

In association with IQAC | 23 September 2026

Programme Report

The Women Development Cell (Jwaala) of MES Asmabi College, P. Vemballur, in association with the Internal Quality Assurance Cell (IQAC), organised an awareness session titled “Global Teal Talk Day” on 23 September 2026. The programme focused on creating awareness about ovarian cancer and the importance of early recognition and timely medical consultation.

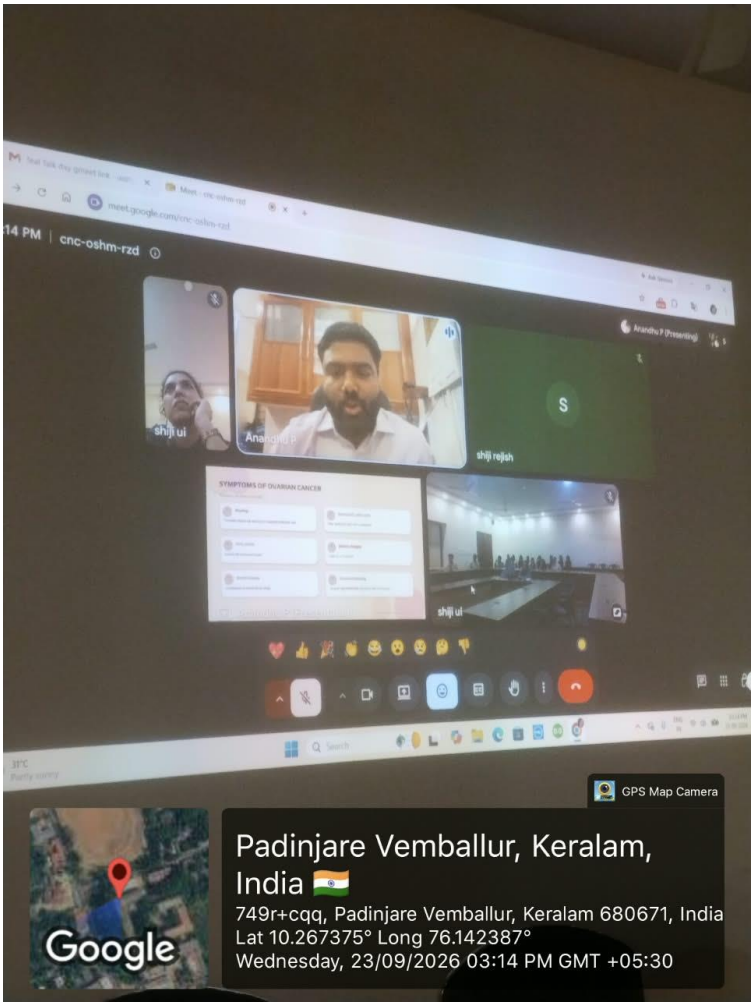

The session was led by Dr. Anandu P, Associate Consultant in Medical Oncology at Aster Medcity, Kochi. The programme was conducted online at 3:00 p.m., with the Conference Hall serving as the

venue for participants. The resource person shared information related to ovarian cancer, its symptoms, and the need for awareness and appropriate medical attention.

The session provided an opportunity for students and participants to gain useful health-related information and to understand the significance of discussing women's health openly. The programme reinforced the message that awareness and timely attention can help protect lives.

The programme was organised under the guidance of Principal Dr. Sameena Kalathodi. Ms. Shiji Ibrahim U served as the Coordinator, with Ms. Farisha V. M., Dr. Maya Pramod, Ms. Minisla Hilal, and Ms. Mary Christy as Joint Co-coordinators. The session concluded with a renewed commitment to promoting women's health awareness and supporting healthier communities.
