M E S ASMABI COLLEGE, P VEMBALLUR

REPORT ON ANTI-DRUG ELOCUTION COMPETITION

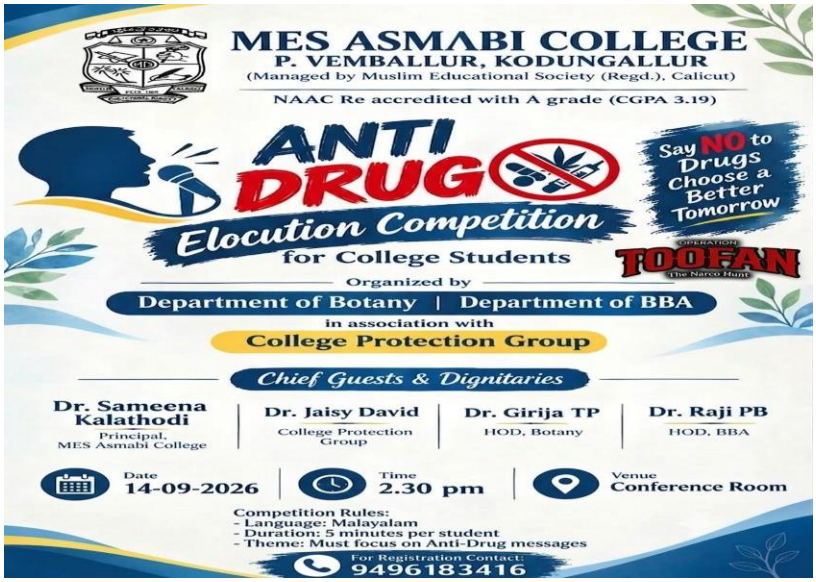

YUVASHAKTHI 2026 – ANTI-DRUG AWARENESS PROGRAMME

Name of Institution: MES Asmabi College, P. Vemballur
Departments: Department of Botany & Department of BBA
In Association with: College Protection Group
Date: 14 September 2026
Time: 2:30 PM
Venue: Conference Hall, MES Asmabi College
Topic: *"Drug Abuse: Menace and Remedial Measures"*

As part of the initiatives to create awareness among college students against drug abuse and to strengthen social resistance towards substance abuse, an **Elocution Competition** was organised at **MES Asmabi College, P. Vemballur**, on **14 September 2026 at 2:30 PM** in the Conference Hall.

The programme was conducted jointly by the **Department of Botany and Department of BBA**, in association with the **College Protection Group**, as part of the anti-drug awareness activities envisaged under the **Vimukthi Mission of the Excise Department, Government of Kerala**.

The programme also aimed to encourage the active participation of college students in anti-drug awareness initiatives and to promote the message of a drug-free society among the youth.

Brochure of the Programme

Details of the Competition

The elocution competition was conducted on the topic:

“Drug Abuse: Menace and Remedial Measures”

A total of 15 students from various departments of the college participated in the competition. The participants presented their views on the increasing prevalence of drug abuse, its harmful consequences, preventive measures, and the collective responsibility of society in addressing the issue.

The speakers particularly highlighted the growing threat of substance abuse among the youth and its destructive impact on both physical and mental health. They emphasised that drug abuse not only affects individuals but also causes serious consequences for families and society as a whole.

The participants stressed the importance of creating continuous awareness among young people, strengthening preventive measures, encouraging healthy lifestyles and providing appropriate support and rehabilitation to individuals affected by addiction. The speeches conveyed a strong message that combating drug abuse requires the collective efforts of students, educational institutions, families, government agencies and society.

The programme served as an effective awareness-building activity for the students who attended the event and encouraged them to take an active role in creating a drug-free campus and society.

Prize Winners

Based on their performance in the competition, the following students secured the top three positions:

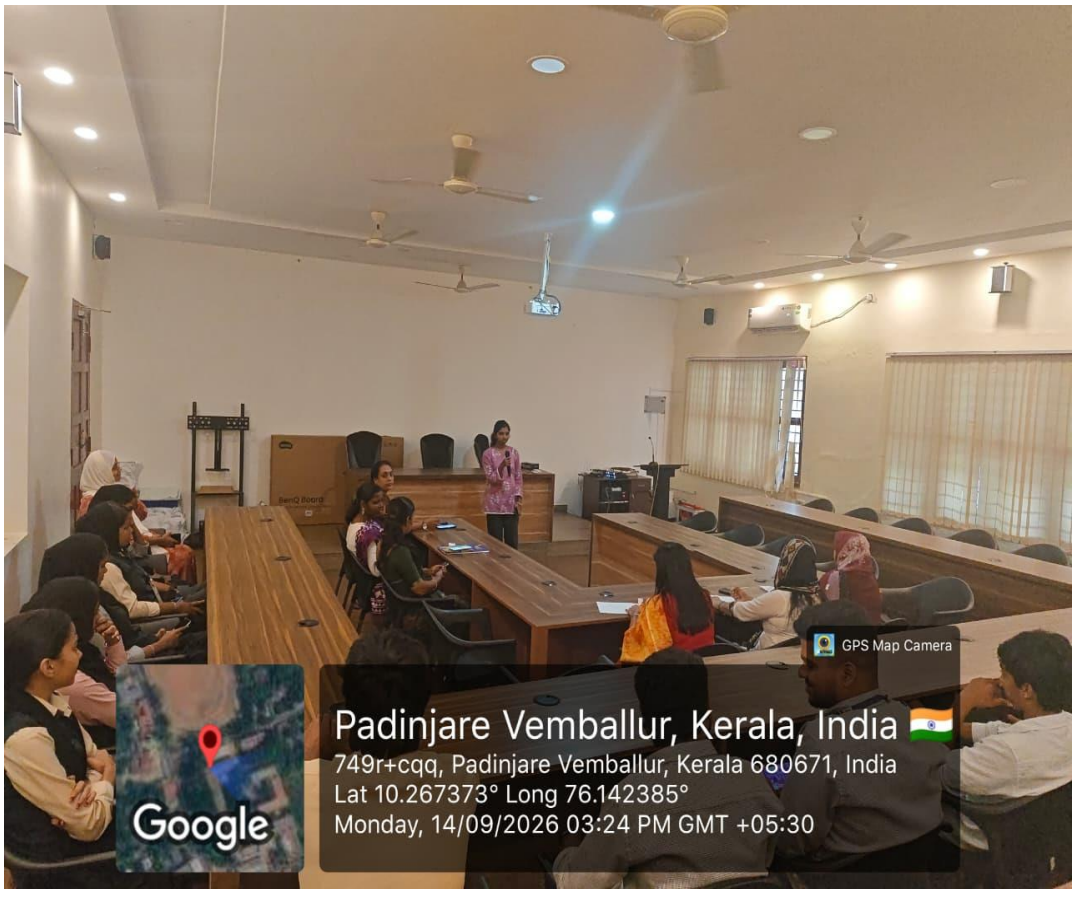

Position	**Name of Student**	**Class**	**Programme**
First	**Muzammil M. P.**	II DC	BA Economics
Second	**Ahammed Ijas K. S.**	II DC	BA Economics
Third	**Lubna Fathima**	III DC	BA English

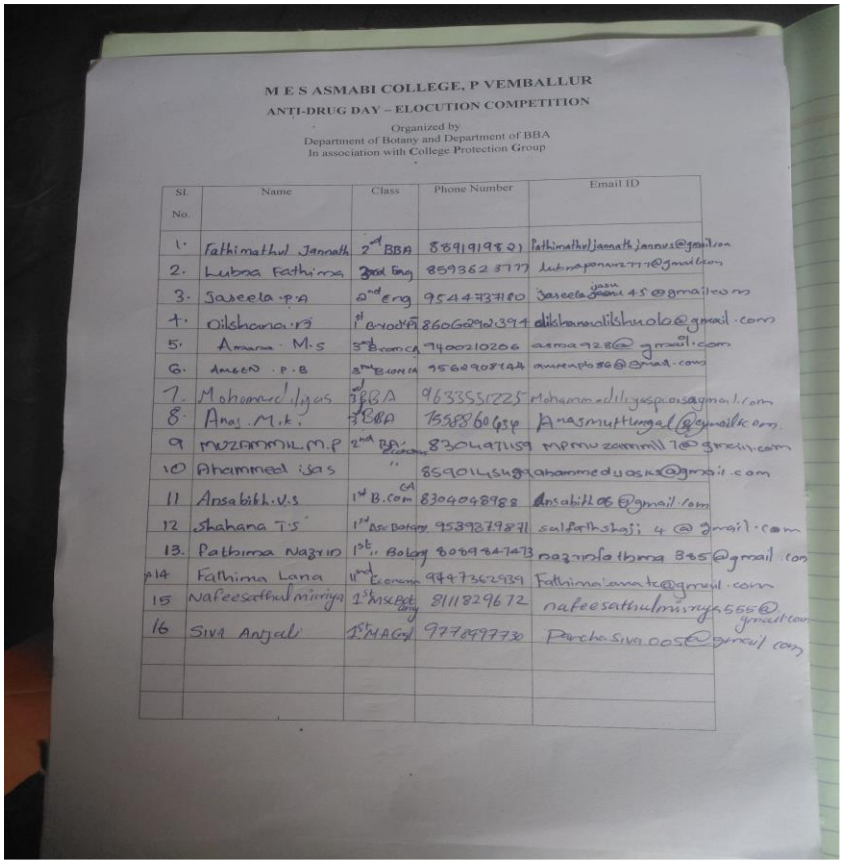

The Anti-Drug Elocution Competition was successfully conducted with active participation from students representing different departments. The programme provided a meaningful platform for students to express their concerns and ideas regarding drug abuse and its prevention.

The event effectively contributed to anti-drug awareness, youth participation and the promotion of a drug-free campus and society. The active involvement of students demonstrated their commitment to the collective fight against substance abuse and reinforced the importance of

continued anti-drug awareness programmes in higher educational institutions.
